

Epee league Rules

League organiser-Blake Batiste

1. Starting position for a new season will be the same as the final position of the previous year. Starting at 0 points.
2. Points will be awarded: The winner of a league night will be given 100 points and subsequent fencers receiving 99,98 etc. up until the last position fencer on the night.
3. All fencers will need to have full kit breeches and socks included.
4. Poules will be mixed gender but the results will be separated into a women and men's league at the end of the season.
5. Fights will be fought up first to ten hits or to the leader after two sets of three-minute periods.
6. All fencers must make sure they have checked in and ready to fence by 20:15 to make sure we have enough time to complete the poule.
7. If you do not attend on a league night, you will not be awarded any points.
8. The final score will be for 5 leagues night (deducting your lowest league night score) out of six.
